

Продуктът трябва да е монтиран, съгласно инструкцията, използвайки частите от комплекта. Монтажът се извършва от специалисти с доказан професионален опит, с което да се гарантира правилното функциониране на продукта, в противен случай производителят не носи отговорност. Уверете се, че продукта се придружава от фирмената гаранционна карта.

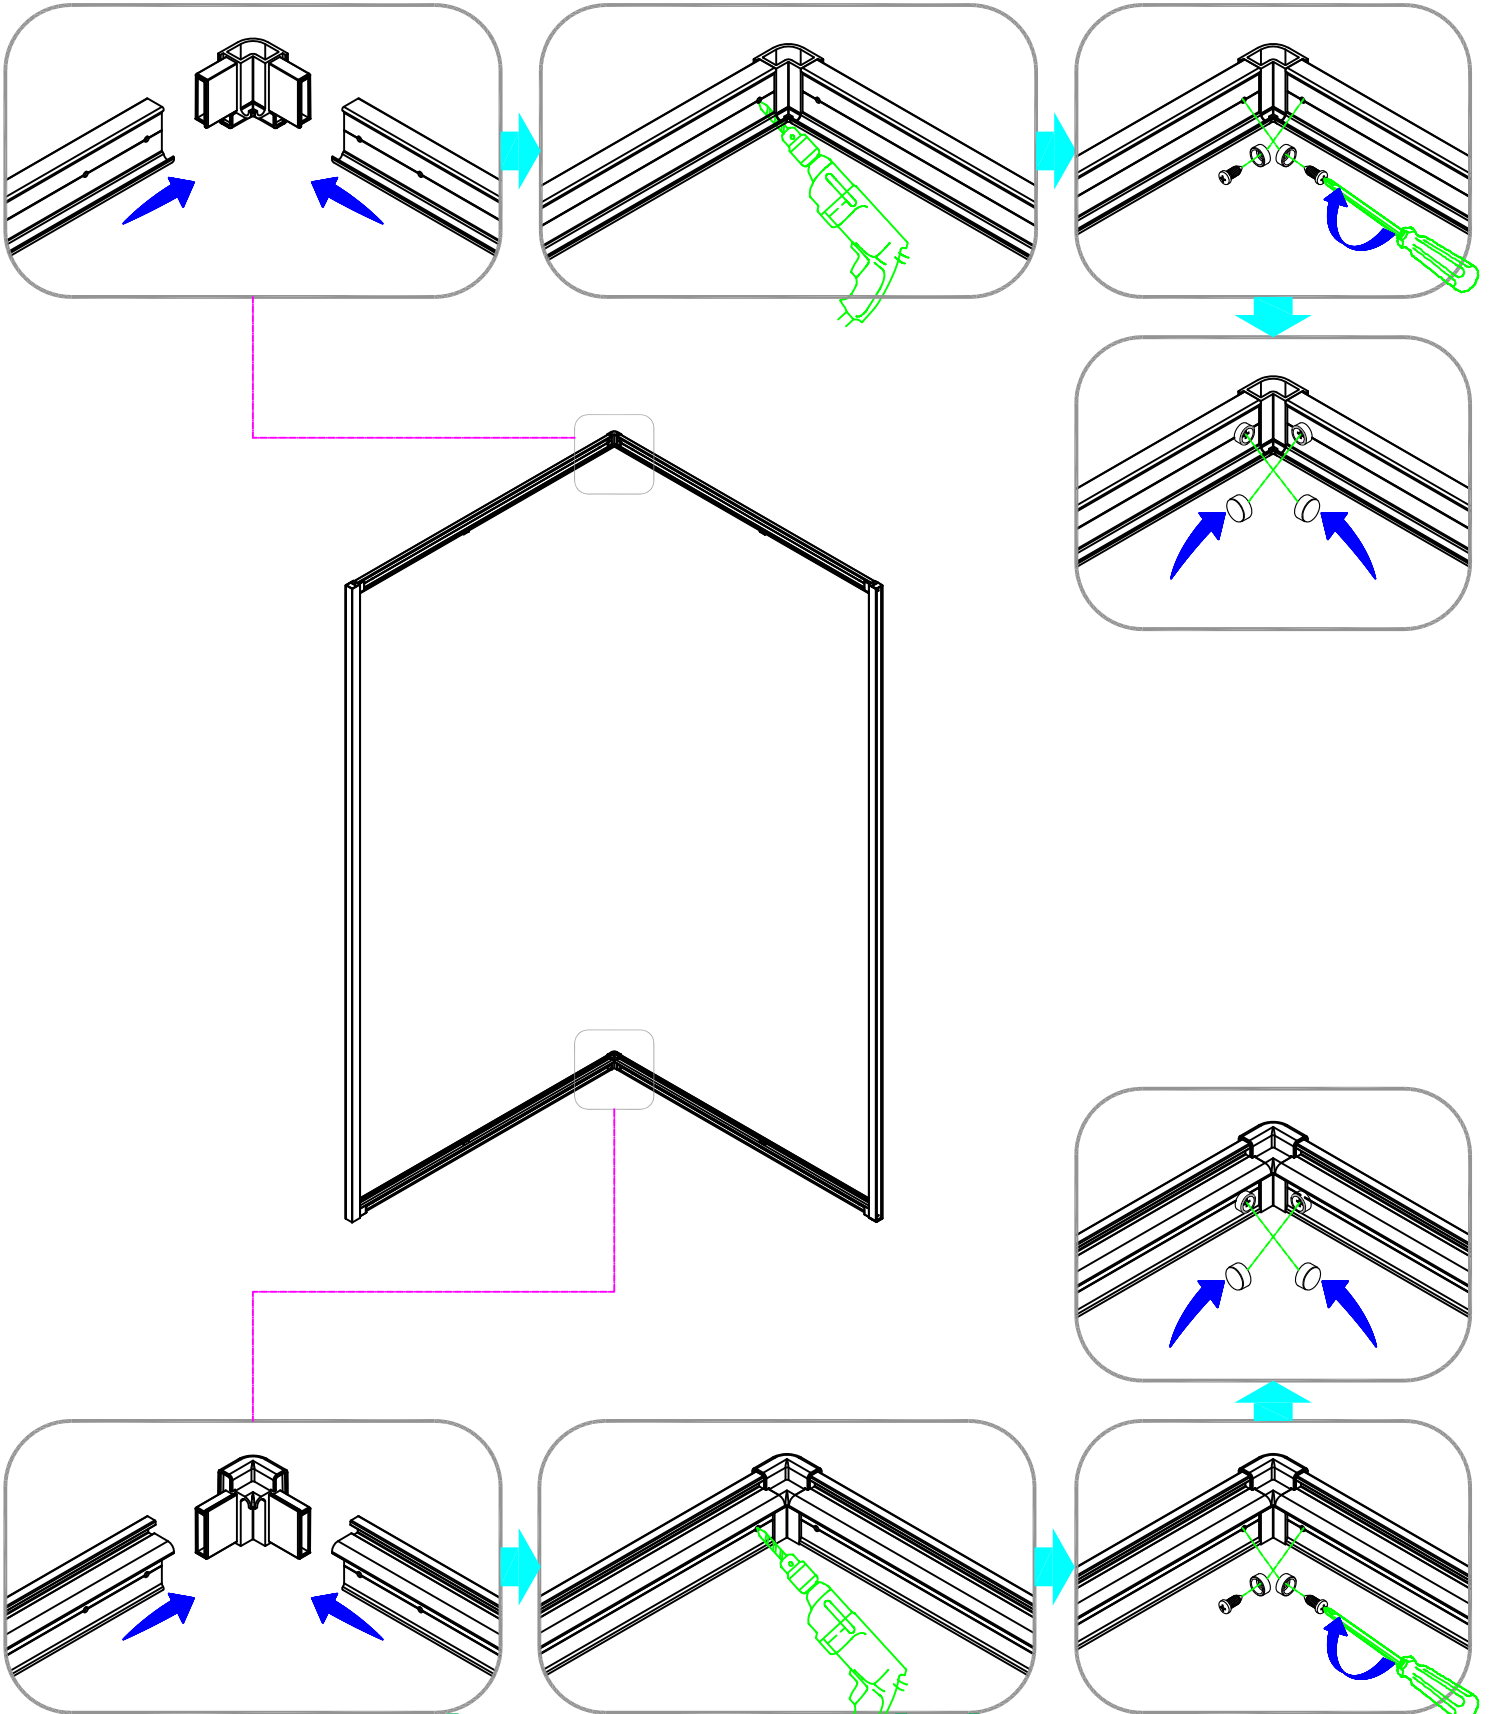

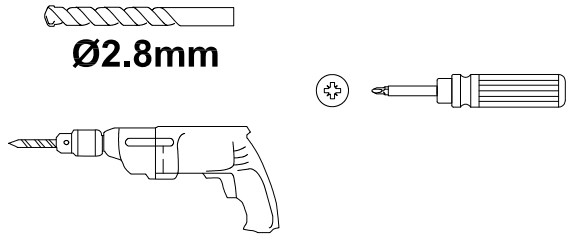

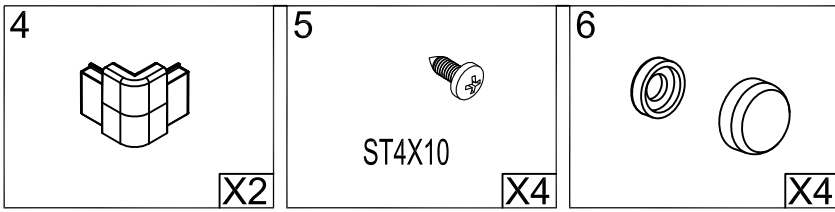

## ICS 275
